

Planet of the Apes

The Kovenant

Man turns animal Too many lies breeds too many flies
It's evolution through confusion
Hate is never without reason
Love is never without treason Monkey see and monkey do
Evolution was never true
Of all the lies they feed to you
What you see is what you do
Monkey me and monkey you Planet of the apes
Planet of the apes
Planet of the apes
Planet of the apes Godly parasites in massive invasion
Deformed creation, unnatural Invention
Procreate then desecrate, inseminate then devastate
No hope for humanity, it's a planet of apes Monkey see and monkey do
Evolution was never true
Of all the lies they feed to you
What you see is what you do
Monkey me and monkey you Nothing new ever came out of someone like you
Don't deceive yourself thinking that you know what to do
What will you do when all your toys are broken
What will you say when all your lines are spoken No hope, no hope, no hope
No hope for humanity, it's a planet of apes
No hope, no hope, no hope
No hope for humanity, it's a planet of apes Gently violated and desecrated
The quintessential art of self-destruction
You left behind the will to believe in nothing
You're never gonna be what you wanna be Monkey see and monkey do
Evolution was never true
Of all the lies they feed to you
What you see is what you do
Monkey me and monkey you Monkey see and monkey do
Evolution was never true
Of all the lies they feed to you
What you see is what you do
Monkey me and monkey you Planet of the apes
Planet of the apes
Planet of the apes
Planet of the apes
