

# Rabbits

## Our Lady Peace

See the light in the distance  
Ten seconds from sleep  
If you blink, you could miss it  
Voluntarily If it's home that you're missing,  
Better call the police Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run Gonna join the resistance  
Gonna tighten their leash  
Try and find some persistence  
Temporarily If it's home that you're missing,  
Then rev up your speed Hopelessly  
Lost at sea  
The holes we dig  
To survive  
Like rabbits we run Like rabbits we run x4
