

Before I Regret

For the Fallen Dreams

This is the end for now I pray.
Bring it back then take it all away.
My feelings now are on the line.
I haven't felt so far behind.

She led my ghost to shallow water.
Nothing but respect, only with respect.
As I lay with regret, nothing but regret, so I repent.

Every now and then,
I take a look at all the pictures that you've sent to me,
And all the letters,
Hoping you're better.

Before I regret that you'll never remember me.
Remember me...

You will never be the same.

Every now and then,
I take a look at all the pictures that you've sent to me,
And all the letters,
Hoping your better.

Before I regret this will never be.
Will you remember me?
