

What You Waiting For?

Franz Ferdinand

Tick-tock, tick-tock
 Tick-tock, tick-tock
 Tick-tock, tick-tock
 Tick-tock, tick-tock
 La, la, la, la, la, la, la, la, la, la
 Like a cat in heat, stuck in a moving car
 A scary conversation, shut my eyes
 Can't find the brake
 What if they say that you're a quitter?
 Naturally, I'm worried if I do it alone
 Who really cares? 'Cause it's your life
 You never know, it could be great
 Take a chance 'cause you might grow
 Oh, oh, What you waiting?
 What you waiting?
 What you waiting?
 What you waiting?
 What you waiting for? What you waiting?
 What you waiting?
 What you waiting?
 What you waiting?
 What you waiting for? Tick-tock, tick-tock
 Tick-tock, tick-tock
 Take a chance you stupid ho
 Like an echo pedal
 You're repeating yourself
 You know it all by heart
 Why are you standing in one place?
 Born to blossom, bloom to perish
 Know you're wiggling out 'cause of your sex chromosome
 I know it's so messed up, how our society all thinks
 (For sure)
 Life is short, you're capable
 Oh, oh, Look at your watch now
 You're still a super hot female
 You got your million-dollar contract
 And they're all waiting for your hot track
 What you waiting?
 What you waiting?
 Whatcha, What you waiting?
 What you waiting for? What you waiting?
 What you waiting?
 What you waiting?

What you waiting, waiting?
What you waiting for? Take me to Japan
Give me lots of brand new fans
Osaka, Tokyo, you Harajuku girls
Damn, you've got some wicked style, go Look at your watch now
You're still a super hot female
You got your million-dollar contract
And they're all waiting for your hot track What you waiting?
What you waiting?
What you waiting?
What you waiting?
What you waiting for? What you waiting?
What you waiting?
What you waiting?
What you waiting?
What you waiting for? Well, it's a nice day for a white wedding, whoa
Well, it's a nice day to start again
Well, it's a nice day for a white wedding
Well, it's a nice day to, start again Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick-tock, tick-tock
Tick!
