

I'm Moving On

B.B. King

Just this mornin', I took a big long look around
I've lived it up and loved it up and done it in this town
Life goes on, look like it's time for movin' on
Goodbye, baby, I wanna thank you for the ride
We did a dance and took a chance, nothing we ain't tried
C'est la vie, time you and me, movin' on
I'm movin' on, I'll see you somewhere down the line
I'm movin' on, we're lookin' good and feelin' fine
I'm movin' on and you are yours and I'm mine
I'll see you somewhere in my dreams
I'm movin' on, so thanks for all the memories
I'm movin' on and you can call me Mr. Breeze
I'm movin' on, life is full of mysteries
Nothing is ever what it seems
Might try Vegas and keep on playin' till I win
Or take it out to Hollywood and fall in love again
Come what may, night and day, I'm movin' on, I'm movin' on
Movin' on, movin' on, movin' on
I'm movin' on, I'll see you somewhere down the line
I'm movin' on, we're lookin' good and feelin' fine
I'm movin' on and you are yours and I'm mine
I'll see you somewhere in my dreams
I'm movin' on, so thanks for all the memories
I'm movin' on and you can call me Mr. Breeze
I'm movin' on and life is full of miseries
Nothing is ever what it seems
I'm movin' on, I'll see you somewhere down the line
I'm movin' on and we're lookin' good and feelin' fine
I'm movin' on and you are yours and I'm mine
I'll see you somewhere in my dreams
I'm moving on, so thanks for all the memories
I'm moving on and you can call me Mr. Breeze
I'm moving on and life is full of mysteries
Nothing is never what it seems
I'm movin' on, I'm movin' on, I'm movin' on
I'm movin' on, I'm movin' on, movin' on
I'm movin' on, oh yes, I'm movin' on
