

Dirty Mind

Prince

There's something about you, baby
It happens all the time
Whenever I'm around you, baby
I get a dirty mind
It doesn't matter where we are
It doesn't matter who's around
It doesn't matter, I just want to lay ya down
In my daddy's car
It's you I really want to drive
But you never go too far
I may not be your kind of man
I may not be your style
But honey, all I want to do is just love you for a little while
If you got the time
I'll give you some money
To buy a dirty mind
Don't misunderstand me
I never fool around
But honey, you got me on my knees, won't you please let me lay ya down
I really get a dirty mind (mind, mind, mind)
Whenever you're around
It happens to me every time (time, time, time)
You just gotta let me lay ya
Gotta let me lay ya, lay ya
You just gotta let me lay ya
Gotta let me lay ya down
In my daddy's car
It's you I really want to drive
Underneath the stars
I really get a dirty mind
Whenever you're around
I don't want to hurt you, baby
I only want to lay you down
