6 String Belief

Son Volt

Written about to death
Around for another breath
The cops will run
The masses will flowKilled by consolidation
Killed by saturation
The underground will correct
With reaction rebellionRock and roll around my head
Alive and kicking
Rock and roll around my head
Fifty what's happening?
Rock and roll around my head
Like a six string belief
The declaration framed the states
Revolution sets the course straight
It was necessary then
And it's necessary nowCorruption in the system
A grass roots insurrection
Could bring them down
Will bring them down
Rock and roll around my head
Alive and kicking
Rock and roll around my head
Fifty what's happening?
Rock and roll around my head
Like a six string belief
