

Heal The World.

Michael Jackson

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow
There are ways to get there
If you care enough for the living
Make a little space, make a better place Heal the world
Make it a better place
For you and for me and the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me If you want to know why
There's a love that cannot lie
Love is strong
It only cares for joyful giving
If we try we shall see
In this bliss we cannot feel
Fear or dread
We stop existing and start living
Then it feels that always
Love's enough for us growing
Make a better world, make a better world Heal the world
Make it a better place
For you and for me and the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me And the dream we would conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify it's soul
Though it's plain to see, this world is heavenly

Be God's glowWe could fly so high
Let our spirits never die
In my heart I feel
You all are my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn
Their swords into plowshares
We could really get there
If you cared enough for the living
Make a little space to make a better placeHeal the world
Make it a better place
For you and for me and the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for meHeal the world
Make it a better place
For you and for me and the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for meHeal the world
Make it a better place
For you and for me and the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for meThere are people dying
If you care enough for the living
Make a better place
For you and for me
There are people dying
If you care enough for the living
Make a better place
For you and for meYou and for me / Make a better place
You and for me / Make a better place
You and for me / Make a better place
You and for me / Heal the world we live in
You and for me / Save it for our children
You and for me / Heal the world we live in
You and for me / Save it for our children
You and for me / Heal the world we live in
You and for me / Save it for our children
You and for me / Heal the world we live in

You and for me / Save it for our children
