

# Cherokee Cry

## David Allan Coe And Pantera

Talk about indian rights and wrongs  
Sing a few more freedom songs  
Look to the spirit, ride the wind  
Let's not walk that trail of tears againDigging up our sacred grounds  
    Won't you leave the dead alone  
    Let the eagle fly and the buffalos roam  
    And give us back our homeCherokee cry  
        Cherokee cry  
        Cherokee cry  
Cherokee cryRight up front I want my freedom back  
    I know about Geronimo's Cadillac  
    That's how you got us on the reservation  
Don't talk to me about segregationDigging up our sacred grounds  
    Won't you leave the dead alone  
    Let the eagle fly and the buffalos roam  
    And give us back our homeCherokee cry  
        Cherokee cry  
        Cherokee cry  
        Cherokee cry  
Set me free, yeahCry, oh, cherokee cry  
    Cry, oh, cherokee cry  
    Cry, oh, cherokee cry  
    Cry, oh, cherokee cry
