Any Day Is a Good Day

Amber Hayes

Got a roof above my head
Shoes on my feet
I've Got air in my lungs
Groceries in the pantry
Well I guess I'd have to say, It's a good dayChorus:
I don't own a mansion
With a big wrought iron fence
May not ever never make a million
That don't worry me a bit
When the sun came up this morning
It Was enough to put a smile on my face
Any day is a good dayTook a walk outside
And Heard the bluebird singing
That little miracle
Got me to thinking
As I watched him fly away
It's a good dayI don't own a mansion
With a big wrought iron fence
May not ever never make a million
That don't worry me a bit
When the sun came up this morning
It Was enough to put a smile on my face
Any day is a good dayDont think your gonna make it
That's what the doctors told me
This morning I woke up to
My one year anniversary
I guess I'd have to say, it's a good dayI don't own a mansion
With a big wrought iron fence
May not ever never make a million
That don't worry me a bit
When the sun came up this morning
It Was enough to put a smile on my face
Any day is a good day
