

I'll Be There for You

Mi Casa

Now I know
That the past few years haven't been the easiest
But I know
That through it all we have grown in experience
Now I know
That you cry your tears when I'm sleeping late at night
You should know
Like I said before baby girl it's gonna be alright
When you're scared I'll be there
There's no need to be afraid
Take my hand, understand
That I'll be there for you
I'll be there for you (I'll be there for you)
When you need me to (when you need me to)
I'll be there for you (yes I'll be there for you)
When you need me to (when you need me to)
When you need me to
When you need me to
When you need me to
When you need me to
Do you know
That over that mountain I'll be standing by
Waiting for you
To give me your hand so that we can finally fly
Into our dream
The thought of me and you together (dreaamm)
The two of us from now forever (dreaamm)
Into our dream
And I'll be there for you
I'll be there for you (When you need me to)
When you need me to (when you need me to)
I'll be there for you (when you need me too)
When you need me to (when you need me to)
I'll be there for you (and I'll be there)
When you need me to (I'll be there for you)
I'll be there for you (and I'll be there for you)
When you need me to
And I'll be there for you
Yes I'll be there, I'll be there

I'll be there for you
I'll be there for you
I'll be there for you
Yes I'll be there for you
I'll be there for you
I'll be there for you
Yes I'll be there for you
I'll be there for you
I'll be there for you
I'll be there for you
When you need me to
I'll be there for you (I'll, I'll be there for you)
When you need me to (when you need me to, I'll be there)
I'll be there for you (when you need me to, I'll be there)
When you need me to
When you need me to
When you need me to
