Cowboy Up

Jill Johnson

You get off on your toys, cause they make a lot of noice
Yea, your buddies and you think that you're the hazard boys and daisy
And I'm the one that's crazy
Cause I tell you that I'm done waiting here behind the fun
Hoping myabe one day soon I'll be your number one and only
But it's getting lonelyI'm on overtime with us,
Before I leave you in the dustCowboy up,
Show me what you've got, put your loving on eleven, make it hotter than hot
It's no big deal to be a man of steel if you never give me something I can really feel
Cowboy up
Time to dance, pull the trigger of emotion on a freaky romance
You may be strong, may be tough, but if you want my love
Cowboy up, Cowboy up, Cowboy up
You tell me that I'm it, but you're not about legit
Cause you wanna play the field before you have to go and quit forever
When we're stuck together
Well I got another plan you might wanna understand
If you're gonna be the kind of guy I call the man of my dreams
Cause baby now it seemsYour love's on a one way street
If I'm all that you say you needCowboy up...
My heart's ready and waiting for
One good cowboy, who knows the score
Who is willing and brave enough
And not afraid to cowboy up!
