

# And I Love Him (feat. Bellanova)

## Xoxo

I've given all my love  
That's what I do  
And if?? I love  
You'd love him too  
He gives me everything???? kiss me lover??  
He brings to me  
And I love him  
And I love him  
And I love  
And I love  
And I love  
And I love him  
Right under stars that shine  
Don't kiss the sky  
I know this love of mine  
Will never die  
And I love  
And I love  
And I love  
And I love  
And I love  
And I love  
I've given all my love  
That's what I do  
And if?? I love  
You'd love him too  
He gives me everything???? kiss me lover??  
He brings to me  
And I love him  
And I love him  
And I love  
And I love  
And I love  
And I love him
