Advisory - the following lyrics contain explicit language:

Yeah baby
On the road all the time
And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care
And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, aye On the road all the time
And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care
And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, wow I got bunch of these niggas over here
Roll six in my Mercedes
Any of these niggas try to play me
Came up from nothing that's crazy
Zoo Gang I swear that's it
Drive my momma crazy
In the trap house that's what made me
I jugg and I'm finessing
I got 'Sace all on my necklace
Can you jugg with a nigga baby aye
Whip it good make it feel like liquor
She would try to take it from me
Couple slugs in this Ruger baby
Never made, so deliver baby
I'm the best at this shit and she knows
Pop a half, sip a four and we go
Zoo Gang and they know that we rolling On the road all the time

And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care
And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, aye On the road all the time
And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care
And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, wow Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, aye
Name another nigga that you know that could do it like me
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, know it, know it, woah
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, aye
Name another nigga that you know
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, know it, know it, woah Oh, these niggas be talkin' but ain't who they
claim to be
And every time you see me, know I got that thing with me
And every time you see me, know I got Zoo Gang with me
She came to the club with you, but then she came with me
I love the way you look, love the way you smell
Tell me how you feel, I'm just keeping it real
I just wanna chill, you look good in them heels
Sipping 17, I might let it spill
And shawty know I don't care, we could play Truth or Dare
I might fuck up your hair, don't be acting scared
This is Zoo year, this is Zoo year
Monty and Zoovier, Monty and Zoovier On the road all the time
And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care
And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, aye On the road all the time
And I swear I'm tryna get some time to spare
Trying to show you how much I love you
Trying to show you how much I care

And everybody got they opinions
But they ain't got no money, aye
No wonder why these bitches hating
And these niggas be acting funny, wow
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, aye
Name another nigga that you know that could do it like me
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, know it, know it, woah
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, aye
Name another nigga that you know
Name another nigga that you know that could do it like me
I'm the best at this shit and they know it, know it, know it, woah
