

# She Watch Channel Zero?!

## Public Enemy

You're blind, baby  
You're blind from the facts on who you are  
'Cause you're watchin' that garbageThe woman makes the men all pause  
And if you got a woman  
She might make you forget yours  
There's a 5 letter word  
To describe her character  
But her brains being washed by an actor  
And every real man that tries to approach  
Come the closer he comes  
He gets dissed like a roachI don't think I can handle  
She goes channel to channel  
Cold lookin' for that hero  
She watch channel zeroShe watch, she watch  
She watch, she watch  
She watch, she watch  
She watch, she watchYo baby, you got to cut that garbage off  
Yo! I want to watch the game  
{Where's your doin'}  
Hey yo, lemme tell you a little som'in: I'm  
'a take all your soaps  
An' then I'm gonna hang 'em on a rope  
You know what I'm sayin'?  
'Cause that garbage your watchin' don't make no sense  
Hey yo, lemme tell you a little som'in baby  
I'm 'a take your set an' I'm 'a throw it  
Out the window  
G'sTwo, seven, five, four, eight  
She watched she said  
All added up to zero  
And nothing in her head  
She turns and turns  
And she hopes the soaps  
Are for real, she learns  
That it ain't true, nope  
But she won't survive  
And rather die in a lie  
Falls a fool, for some dude, on a tubeI don't think I can handle  
She goes channel to channel

Cold lookin' for that hero  
She watch channel zeroShe watch, she watch  
She watch, she watch  
She watch, she watch  
She watch, she watchYo baby, you think I'm jokin'?  
Do it look like I'm jokin'?  
I ain't jokin', word up, baby  
Yo, cut that garbage off now  
Yo, I got the Tyson fight on, you know what I'm sayin'?  
Yo, so you can't be comin' in here stackin' {aid} like that  
You know what I'm sayin'?  
Yo, we gettin' ready to watch the Super Bowl  
We got a black quarterback so step backTrouble vision for a sister  
'Cause I know she don't know, I quote  
Her brains retrained  
By a 24 inch remote  
Revolution a solution  
For all of our children  
But her children  
Don't mean as much as the show, I mean  
Watch her worship the screen, and fiend  
For a TV ad  
And it just makes me madI don't think I can handle  
She goes channel to channel  
Cold lookin' for that hero  
She watch channel zeroShe watch, she watch  
She watch, she watch  
She watch, she watch  
She watch, she watchYo baby, can't you that's nonsense you watchin'?  
Look, don't nobody look like that  
Nobody even live that, you know what I'm sayin'?  
You watchin' garbage, not'in' but garbage  
Straight up garbage  
Yo, why don't you just back up from the TV  
Read a book or som'in  
Read about yourself  
Learn your culture, you know what I'm sayin'?
