

# Loomer

## My Bloody Valentine

Tiptoe down  
To the holy places  
Where you goin' now  
Don't turn around Little girls  
In their party dresses  
Didn't like  
Anything there Pretty boys  
With their sunshine faces  
Carrying their  
Heads down Tiptoe down  
To the lonely places  
Where you goin' now  
Don't turn around
