

# I've Got All This Ringing In My Ears And None On M

## Fall Out Boy

You're a canary  
I'm a coal mine  
'Cause sorrow is just all the rage  
Take one for the team, you all know what I mean And I'm so sorry  
But not really  
Tell the boys where to find my body  
New York eyes, Chicago thighs  
Pushed up the window to kiss you, off The truth hurts worse  
Than anything I could bring myself to do to you  
The truth hurts worse  
Than anything I could bring myself to do to you Do you remember the way I held your hand  
Under the lamp post and ran home  
This way so many times I could close my eyes The truth hurts worse  
Than anything I could bring myself to do to you  
The truth hurts worse  
Than anything I could bring myself to do to you Bum ba bum ba bum ba da da dum  
Bum ba bum ba bum ba da da dum  
Ba-ah  
Oh The truth hurts worse  
Than anything I could bring myself to do  
The truth hurts worse  
Than anything I could bring myself to do to you The truth  
The truth (Now press repeat)
