Strength

Aaron & Amanda Crabb

Help me put on the strength, for my flesh has made me weak and there is nothing left for me to do, but to fall on my knees and beg you Lord please, let them see you not me, let them see you not me.
So many times I do what I wanna do, and I turn my back to what I know is true, these twist and turns I know are part of your mold, this tug of war inside is getting to hard to hold.
Help me put on the strength, for my flesh has made me weak and there is nothing left for me to do, but to fall on my knees and beg you Lord please, let them see you not me, let them see you not me.
I don't deserve anything you have to give, you died and gave your life so I might live, I will never understand why you streched your hand, but I'll always give you praise for mercies plan.
Help me put on the strength, for my flesh has made me weak and there is nothing left for me to do, but to fall on my knees and beg you Lord please, let them see you not me, let them see you not me.
Oh, Help me put on the strength, for my flesh has made me weak and there is nothing left for me to do, but to fall on my knees and beg you Lord please, let them see you not me, no no no let them see you not me, let them see you not me, mmmmmmm
