

Whatever

Jill Scott

 Hmm, yeah, hey, oh ho
 Yeah, yeah, hey, yeah, oh ho
 Umm, hmm
You pulled some tricks out your sleeve last night
 Everything I fantasize about
 You had me climbing up a wall
 How many ways was God called
You represented in the fashion of the truly gifted
 You put it down last night
Knocked me out, then had me dreamin' 'bout wakin' up, alright
 Do you want some money, baby?
 How about some chicken wings?
Do you want some fish and grits? I'll hurry and go get it
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever baby, whatever baby
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever, whatever, ooh, ooh yeah hey
 We made a groove last night
A poignant rockin' forth and back, alright
 Anything I can do for you?
 Just ask, sometimes you wont have to
I'll be hapy just to make you happy and that's true, oh
 We made powerful love last night
Never knew passion could taste so sweet, alright
 I made a vow to you
Everything I do for you is a joy and a gift
 You got my whole life lifted
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever you want me to do
 Whatever, whatever, whatever
 Whatever, whatever, whatever
 Whatever, whatever
It's cool baby, loving me the way you do

Whatever, whatever
Whatever you want me to do
I'll be happy to, baby, love
Ooh, yeah, yeah, yeah
La, la, la, la
La, la, la, la
La, la, la, la, la
La, la, la, la
La, la, la, la
La, la, la, la, la
Yeah, yeah, yeah, yeah
La, la, la, la
La, la, la, la
La, la, la, la
Whatever you want, baby
Whatever you need, baby
Whatever you like, baby
The way you do [incomprehensible]
Whatever, whatever, whatever
Whatever, whatever, whatever
Whatever, whatever, whatever
Whatever baby, whatever baby
Whatever, whatever, whatever
Whatever, whatever, whatever
Whatever, whatever, whatever
Whatever, whatever, ooh hoo yeah, yeah
