

# Oh Me, Oh My

## Imogen Heap

Quiet now in sleepy dreams  
To me it seems the only time to be just me  
Bombarded by the phone in my own home  
Can't get the space that I need and how I need it, yeah  
And oh me, yeah and oh my  
And oh me, me, me, me, oh my  
Oh, when I look, when I look at my life  
And oh me, oh my, when I look at my life, yeah  
Crowded by the city, all around me  
Need some silence from the loud and noisy crowds  
And I'm trying to catch a breath through the air of death  
Can't see the sun for the clouds, those dirty clouds  
And the night has no compassion for your actions  
When you're trying to get away from the hard day, yeah  
And I need someone to talk to apart from you  
But I, I guess that's just the way, come what may  
And oh me, yeah and oh my  
And oh me, me, me, me, oh my  
Oh, when I look, when I look at my life  
And oh me, oh my, when I look at my life

Oh, God, are You there?  
Are You there, are You there? No, no, yeah  
God, are You there  
Are You there, are You there? Yeah  
Well are You out there, are You there?  
Are You there, are You there?  
If so, where are You hiding?  
I'm having trouble in finding You  
Oh me and oh my  
And oh me, me, me, me, oh my  
Oh, when I look, when I look at my life  
And oh me, oh my, when I look at my life  
Oh, God, are you there?  
Are You there, are You there? No, no, yeah  
God, are You there  
Are You there, are You there? No  
Well are You out there, are You there  
Are You out there, are You out there?

Are You out there, are You out there?  
Are You out there?
