People Say

Incksalonius

Save me
I can?t be saved
And what
I?m a president?s son
I don?t need no soul
All the soldiers say
It?ll be alright
We may make it through the war
If we make it through the night
All the people
They say
What a lovely day
That we won the war
May have lost a million men
But we got a million more
All the people
They say
Share with me
All of the pain
I won?t
Share your love
I need
All your love
All the soldiers say
It?ll be alright
We may make it through the war
If we make it through the night
All the people
They say
What a lovely day
That we won the war
May have lost a million men
But we got a million more
All the people

They say
Can?t save me
I can?t be saved
I won?t

I don?t need no love
I?m the president?s son
All the soldiers say
It?ll be alright
We may make it through the war
If we make it through the night
All the people
They say
What a lovely day
That we won the war
May have lost a million men
But we got a million more
All the people
They say
All the people
They say
It?ll be alright
It?ll be alright
It?ll be alright
Now
It?ll be alright
It?ll be alright
It?ll be alright
Now
It?ll be alright
It?ll be alright
It?ll be alright
Now
All the people
They say
