

# Fortune

## Toto

Mmmm... yeah yeah  
Janey can't you look at me?  
Take the opportunity to work it out  
You say you want to bet on me  
Then you say you think my luck is running out  
It must have been a fantasy  
I believed I was the only one  
I thought I was a worldly man  
But boy I learned a thing or two when I met you  
I waghered big you took me down  
C'est tellement familiar it's like deja vu  
There's always been a part of me  
That knew you'd run away  
Fortune favors the prepared  
(Whether or not you're up or down)  
Fortune favors the prepared  
(Are you prepared for another round)  
Fortune favors the prepared  
Ready or not...  
You say you've had a tragic life  
That I could never understand just how bad you feel  
It cuts you like a rusty knife  
Circumvent the storm and let me take the wheel  
There's always been a part of me  
That's been waiting for the rain  
Fortune favors the prepared  
(Whether or not you're up or down)  
Fortune favors the prepared  
(Are you prepared for another round)  
Fortune favors the prepared  
Ready or not...  
I took for granted  
That you'd be here waiting  
Why am I forsaken  
While another fool abandons you  
(Guitar Solo)  
Fortune favors the prepared  
(Whether or not you're up or down)  
Fortune favors the prepared  
(Are you prepared for another round)  
Fortune favors the prepared  
Ready or not...  
Fortune favors the prepared  
(Whether or not you're up or down)  
Fortune favors the prepared  
(Are you prepared for another round)  
Fortune favors the prepared  
Ready or not...  
Ready or not you fall in love...  
Ready or not...  
Don't be afraid of a  
broken heart....
