Refuge and Strength

Point Of Recognition

Resistance and power drawn from God
Inside of me resurrected within my soul
These eyes will see retribution
I defy, I reject, I denounce, I resist this worldSo sweet it makes me sick, I use His lantern to find my way
Though my back is broken from the weight of this life
And with His strength I have the power to stand up
We are hard pressed on every side perplexed but not in despairWe are persecuted but never abandoned
We are struck down but not destroyed
I have become broken and remade in Your hands
Lifted from the depths and darknessReborn and powered with the blood of your Son
Whom shall I fear?
