

Something 'Bout Love

David Archuleta

Something 'bout love, love
Something 'bout love, love Every night it's all the same
You're frozen by the phone
You wait, something's changed
You blame yourself every day
You do it again every night There's something 'bout love that breaks your heart
Whoa oh oh oh, it sets you free
There's something 'bout love that tears you up
Whoa oh oh oh, you still believe When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh, but don't give up
There's something 'bout love When you were young, scared of the night
Waiting for love to come along and make it right
Your day will come, the past is gone
So take your time and live and let live There's something 'bout love that breaks your heart
Whoa oh oh oh, it sets you free
There's something 'bout love that tears you up
Whoa oh oh oh, you still believe When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh, but don't give up
There's something 'bout love Don't fight, don't hide those stars in your eyes
Let em' shine tonight
Let em' shine tonight Hang on, hang in for the ride of your life
It's gonna be alright
Hold on tight There's something 'bout love that breaks your heart
Whoa oh oh oh There's something 'bout love that breaks your heart
Whoa oh oh oh, it sets you free
There's something 'bout love that tears you up
Whoa oh oh oh, you still believe When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart
Whoa oh oh oh, but don't give up
There's something 'bout love Whoa oh oh oh, sets you free
There's something 'bout love that tears you up
Whoa oh oh oh, you still believe When the world falls down like the rain
It'll bring you to your knees
There's something 'bout love that breaks your heart

Whoa oh oh oh, but don't give up
There's something 'bout love
