25 Minutes (2002 Remaster)

Michael Learns to Rock

After some time I've finally made up my mind
She is the girl and I really want to make her mine
I'm searching everywhere to find her again
To tell her I love her and I'm sorry 'bout the things I've doneI find her standing in front of the church
The only place in town where I didn't search
She looks so happy in her wedding dress
But she's crying while she's saying thisBoy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry you are twenty-five minutes too lateAgainst the wind I'm going home again
Wishing me back to the time
When we were more than friendsBut still I see her in front of the church
The only place in town where I didn't search
She looked so happy in her wedding dress
But she cried while she was saying thisBoy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry you are twenty-five minutes too lateOut in the streets
Places where hungry hearts have nothing to eat
Inside my head
Still I can hear the words she saidBoy, I've missed your kisses all the time
But this is twenty-five minutes too late
Though you traveled so far
Boy, I'm sorry your are twenty-five minutes too lateI can still hear her say
