

# Only The Girl

## Bif Naked

My love's an ice cold latte  
And it's running down yer shirt  
You took my little heart  
And then ya threw it in the dirt  
I won't go near yer locker  
And I cannot wash my hair  
I can't believe you betrayed me  
And filled me with despair  
I can't believe horrible truth about you  
Because you lied to me  
I am only the girl who was in love with you  
But now you lied  
I have developed frog eyes  
From crying all the time  
I won't go out and skate with my friends  
I'll only stay inside  
You ran around behind my back  
With a pretty, blue eyed girl  
I am so sick of missing you  
I think I'm gonna hurl  
I can't believe horrible truth about you  
Because you lied to me  
I am only the girl who was in love with you  
But now you lied  
I can't believe you lied to me  
I can't believe you  
(I am only the girl who was in love with you)  
I can't believe horrible truth about you  
Because you lied to me  
I am only the girl who was in love with you  
But now you lied to me
