

Shinin' On

Grand Funk Railroad

We are winners and losers, bed fellow choosers
Put here to pass by the times
We are space-age sailors, all had our failures
Now everybody gonna' shine Keep it shinin' on
Keep it shinin' on See the fire within them burnin'
Touch the fire make me feel so fine
Keep the fire within you livin'
Everybody gonna' shine, shine, shine (Keep it shinin' on)
Keep it shinin', shinin' on
Keep it
(Shinin' on) Shinin' on
Shinin' on What?
Well, alright (Keep it shinin' on)
Keep it shinin', shinin' on
(Keep it shinin' on)
Keep it
(Shinin' on, shinin' on, shinin' on) Keep it shinin', keep it shinin', keep it shinin' on
(Shining)
Keep it shinin', keep it shinin', keep it shinin' on
(Keep it shinin')
Keep it shinin', keep it shinin', keep it shinin' on
(Keep it shinin') Keep it shinin', keep it shinin', keep it shinin' on
(Keep it shinin')
Keep it shinin', keep it shinin', keep it shinin' on
(Keep it shinin')
Keep it shinin', keep it shinin', keep it shinin' on
(Keep it shinin')
