

# Conquest of the Planet of the Apes

## They Might Be Giants

Conquest, it's a type of quest  
They called it a conquest of the planet of the apes  
Conquest, they played it at request  
It was another type of quest  
For the planet of the apes  
Conquest!  
Request!  
We're gonna have an inquest  
But this is a type of quest  
For the planet of the apes  
Yeah!
