

Put Some Rhythm to It

Emitt Rhodes

When i was a lad you know
I felt real bad When I discovered
 I had two left feet
 In every school dance
 I would not sweat no pants
And i seldom left my seatAnd no one was so kind
 To take the time To explain
 This simple truth to me
 If you wanna learn to dance
 If you wanna find romance
 All you gotta do is shake your ass
 And put Some Rhythm to ItOn that day at school
I've learned the golden ruleNot to let your feelings show
 But every time I extend and take my
 Date in hand i'd be trembling
 From head to toe
 And no one was so kind
 To take the time to explain
 This simple truth to me
 If you wanna learn to dance
 If you wanna find romance
 All you gotta do is shake your ass
 And put Some Rhythm to It
 And no one was so kind
 To take the time to explain
 This simple truth to me
 If you wanna learn to dance
 If you wanna find romance
 All you gotta do is shake your ass
 And put Some Rhythm to It
