

Gonna Make You

The Troggs

Gonna make you
Gonna make you
Gonna make you
All mineGonna love you
Gonna love you
Gonna love you
All the timeI want you more and more each day
And love to hear the things you say
I love to see the things you do
You turn me on, when I'm with you
I'm with you
I'm with you
I'm with youGonna make you
Gonna make you
Gonna make you
All mineOh no, babyGonna make you
Gonna make you
Gonna make you
All mine
Alright
