

Praise the Lord and Pass the Ammunition

Kay Kyser & His Orchestra

Come lay it down, won't you,
Come burn it down, can't you,
Lay it down, the guns above the ground
Come lay it down, won't you,
Come burn it down, can't you,
Lay it down, the guns above the ground Nlelith is a prophet
From the prophet came the king
From the king came the pauper
From the pauper came the swing
From the swing came creation
From creation came love,
You don't know what this love is all about, Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition,
Life affirming and our spiritual trust Lay it down, won't you,
Come burn it down, can't you,
Lay it down, the guns above the ground Nlelith is a prophet
From the prophet came the king
From the king came the pauper
From the pauper came the swing
From the swing came creation
From creation came love,
You don't know what this love is all about, Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition,
Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition, Buddha, Mohammad and the Hindu
Lost 100
Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition,
People still ask when will Armageddon begin, Dragging my feet any longer through the
Pussy litter,
Dragging my feet any longer through the
Pussy litter,
Dragging my feet any longer through the
Pussy litter, Nlelith is a prophet
From the prophet came the king

From the king came the pauper
From the pauper came the swing
From the swing came creation
From creation came love,
You don't know what this love is all about, Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition,
Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
Ammunition, Do we ever have enough,
When we see that blue dove
Do we ever have enough
When we see that blue dove
We want to go where no one's been
No one's been Come lay it down, won't you,
Come burn it down, can't you,
Lay it down, the guns above the ground
Won't you.
