

Candy Man

Rev. Gary Davis

Candy man been here and gone
Candy man been here and gone
Candy man, Salty dog
If you can't be my Candy man you can't be my salty dog Candy man, candy man
Candy man, fatten' hog
Candy man, Santa Claus If you can't be my candy man, can't be my fatten' hog Candy man, candy man
Candy man, been here and gone
Candy man, salty dog I wish I was in New Orleans, sitting on the candy stand Run get the pitcher, get the baby
some beer
Run get the pitcher, get the baby some beer
Run get the pitcher, get the baby some beer
Run get the pitcher, get the baby some beer
Run get the pitcher, get the baby some beer
Run get the pitcher, get the baby some beer I'd give anything in this god almighty world
To get my Candy man home Candy man, salty dog
Candy man, fatten' hog
Candy man, salty dog If you can't be my Candy man
You can't be my man at all
