Never, Never Gonna Give You Up

Lisa Stansfield

Never, never gonna give you up
Never, never gonna give you upWhatever, whatever, babe, I'll do
Forever and ever, yeah, yeah, yeah, yeah
I'll see you through itI've got to keep you pleased in every way I can
Gonna give you all of me, as much as you can stand
Make love to you right now is all I want to do
I know you need it, boy, and you know I need it too'Cause I've found what the world is searchin' for
Here, right here, my dear, I don't have to look no more
And all of my days, I hoped and I prayed
For someone just like you to make me feel the way you doNever, never gonna give you up
I'm never ever gonna stop
Not the way I feel about you, babe
I just can't live without youI'm never ever gonna quit
'Cause quiting just ain't my stick
Gonna stay right here with you
And do all the things you want me toWhatever you want, babe, you got it
And whatever you need, babe, babe, babe, babe
I don't want to see you without it, noYou've given me much more than words could ever say
And oh my dear, I'll be right here until my dying day
I don't know just how to say all the things I feel
I just know that I love you so and it gives me such a thrill'Cause I've found what the world's been lookin' for
Here, oh right here, my dear, I don't have to search no more
Yet all of my days I hoped and I prayed
For someone just like you to make me feel the way you doNever, never gonna give you up
I'm never ever gonna stop
Not the way I feel about you, babe
I just can't live without youI'm never ever gonna quit
'Cause quiting just ain't my stick
I'm gonna stay right here with you
Do all the things you want me toNever, never gonna give you up
I'm never ever gonna stop
Not the way I feel about you, babe
I can't live without youI'm never ever gonna quit
'Cause quiting just ain't my stick
I'm gonna stay right here with you
Do all the things you want me toNever, never gonna give you up
I'm never ever gonna stop
Not the way I feel about you, babe
I can't live without youI'm never ever gonna quit
