

# In The Water, I Am Beautiful...

## City and Colour

And I know it's not to get away from me  
You just need a change of scenery  
So strange how everything went wrong so fast  
And I hope that this confusion does not last 'Cause these words might be too little, too late  
And I'm afraid that I have already lost you  
Now three months equals eternity and this will be so hard  
And I will long to hold you in my arms And when you ask, do you love me  
I should reply with, yes, most certainly  
I always hesitate, there's something lingering  
I will try harder to be all that I can be These words might be too little, too late  
An' I'm afraid that I have already lost you  
Now three months equals eternity and this will be so hard  
And I will long to hold you in my arms
