Who Am I

Tiffany Evans

(Who am I? Who am I? Who am I?)Sometimes everything seems outta my reach
No matter how hard I try
Sometimes I feel like nothing at all insideWith everything that I try to hold on to
Just seems to slip away
And though I fall it keeps calling me back againBut I keep looking, I'll sink or swim
I'll keep searching to find the real meWho am I? Tell me
Where do I come from?
Who am I? Tell me
'Cause it's like I dont fit in at all
(Who am I?)Sometimes I feel like running away
And leaving it all behind
Try to find a place where I belongIf I keep looking I'll find myself
I'll keep searching to find the real meWho am I? Tell me
Where do I come from?
Who am I? Tell me
'Cause it's like I dont fit in at all(Who am I?)
Who am I?
(Who am I?)Who am I? I know
That I can do anything
Who am I? I know
That I can be anythingWho am I? I know
That I can do anything, anything
Who am I ? I know
That I can be anythingWho am I? I know
Yes, I can be anything
Yes, I can be anything at all
