The Last to Know

CeCe Peniston

You should know the way I feel
I thought you were all alone
Cause you told me that you missed me on the telephone
Boy I can't explain the way I feel right nowBRIDGE:
You and I have been together for quite some time
I never knew you were wrong all along
All I wanna know isCHORUS:
Why is it that I'm the last know?
Why is it that I'm the last know?I have noticed things have changed
Cause the time we shared together's slowly fading away
I didn't think that you would do this
How could you have been so cold?
Thought I'd be the first to knowBRIDGECHORUSWhy oh why did I live a lie
Thought I'd be the only one
Boy you found another one
Cause the love shared today
I thought forever would remain
You were with somebody else
You were thinkin' of yourselfBRIDGEWhy oh why oh why did I
Even have to live a lie
How could you have been so cold?
Thought I'd be the first to knowWhy oh why oh why did I
Even have to live a lie
How could you have been so cold?
Why am I the last to know?CHORUSYou came into my life
You seemed like Mr. Right
What you did to me baby,
See, you're no good for me
Guess you really didn't give a damn
I thought you were my man
What you did to me baby,
See, you're no good for meI could never imagine
You would be with someone else
And I would be alone
