Well, Well, Well

Duffy

Well well well
Well well well
Well well well
Well well well
Highly suspicious, where was i last night
Seek and you shall find.
And it goes in my mind, you make me draw the line
I didn't commit any crime
I'm not guilty of what you're saying and i do
I'm not guilty of what you're saying and i do
Well well well
Why you giving me the third degree?
Why you giving me the third degree?
When i'm not guilty of what you're saying i do
I'm not guilty of what you're saying i do
I'm not that cagey
But i don't need to explain
There's nothing to blame
You'll only drive me away
There's so many questions every day

You make me go insane
I'm not guilty of what you're saying and i do
I'm not guilty of what you're saying and i do
Well well well
Why you giving me the third degree?
Why you giving me the third degree?
When i'm not guilty of what you're saying i do
I'm not guilty of what you're saying i do
Well well well
Well well well
Well well well
I'm not guilty of what you're saying i do
You know
I'm not guilty of what you're saying i do
Why you giving me the third degree
Why you giving me the third degree
Why you giving me the third degree
Why you giving me the third degree

Well well well
