

Well, Well, Well

Duffy

Well well well

Well well well

Well well well

Well well well

Highly suspicious, where was i last night

Seek and you shall find.

And it goes in my mind, you make me draw the line

I didn't commit any crime

I'm not guilty of what you're saying and i do

I'm not guilty of what you're saying and i do

Well well well

Why you giving me the third degree?

Why you giving me the third degree?

When i'm not guilty of what you're saying i do

I'm not guilty of what you're saying i do

I'm not that cagey

But i don't need to explain

There's nothing to blame

You'll only drive me away

There's so many questions every day

You make me go insane

I'm not guilty of what you're saying and i do

I'm not guilty of what you're saying and i do

Well well well

Why you giving me the third degree?

Why you giving me the third degree?

When i'm not guilty of what you're saying i do

I'm not guilty of what you're saying i do

Well well well

Well well well

Well well well

I'm not guilty of what you're saying i do

You know

I'm not guilty of what you're saying i do

Why you giving me the third degree

Why you giving me the third degree

Why you giving me the third degree

Why you giving me the third degree

Well well well
