

What Do You Want

[Adam Faith](#)

What do you want if you don't want money?
What do you want if you don't want gold?
Say what you want and I'll give it to you darlin',
Wish you wanted my love, baby. What do you want if you don't want ermine?
What do you want if you don't want pearls?
Say what you want and I'll give it to you darlin',
Wish you wanted my love, baby. Well I'm offerin' you this heart of mine,
But all you do is play it cool.
What do you want?
Oh boy you're making a fool of me One of these days when you need my kissing
One of these days when you want me too
Don't turn around coz I'll be missing
Then you'll wanta my love baby Well I'm offerin' you a diamond ring
But all you do is turn me down
What do you want?
Oh boy you're goin' to town on me One of these days when you need my kissing
One of these days when you want me too
Don't turn around coz I'll be missing
Then you'll wanta my love baby
Well then you'll wanta my love baby
