

# Around the World

## Arty

The kisses of the sun  
Were sweet I didn't blink  
I let it in my eyes  
Like an exotic dream The radio playing songs  
That I have never heard  
I don't know what to say  
Oh, not another word Just la la la la la  
It goes around the world  
Just la la la la la  
It's all around the world Just la la la la la  
And everybody's singing  
La la la la la  
And now the bells are ringing La la la la la  
La la la la la la la  
La la la la la  
La la la la la la la La la la la la  
La la la la la la la  
La la la la la  
La la la la la la Inside an empty room  
My inspiration flows  
Now wait to hear the tune  
Around my head it goes The magic melody  
You want to sing with me  
Just la la la la la  
The music is the key And now the night is gone  
Still it goes on and on  
So deep inside of me  
I long to set it free I don't know what to do  
Just can't explain to you  
I don't know what to say  
Oh, not another word Just la la la la la  
It goes around the world  
Just la la la la la  
It's all around the world Just la la la la la  
And everybody's singing  
La la la la la  
And now the bells are ringing La la la la la  
La la la la la la la  
La la la la la

La la la la la laLa la la la la  
La la la la la la la  
La la la la la  
La la la la la laThe kisses of the sun  
AroundLa la la la la  
It goes around the world  
Just la la la la la  
It's all around the worldJust la la la la la  
And everybody's singing  
La la la la la  
And now the bells are ringingLa la la la la  
La la la la la la la  
La la la la la  
La la la la la laLa la la la la
