

Heart Attack (Live From: This Us)

One Direction

Baby, you got me sick
I don't know what I did
Need to take a break and figure it out, yeahGot your voice in my head
Saying let's just be friends
Can't believe the words came out of your mouthI'm trying to be okay, I'm trying to be alright
But seeing you with him just don't feel rightAnd I'm like
Ow, never thought it'd hurt so bad
Getting over you
Ow, you're giving me a heart attack
Looking like you do
'Cause you're all I ever wanted
Thought you would be the one that's
Ow, giving me a heart attack
Getting over youBaby, now that you're gone
I can't stand dumb love songs
Missing you is all I'm thinking about, yeah
Everyone's telling me I'm just too blind to see
How you messed me up, I'm better off nowI'm trying to be okay, I'm trying to be alright
But seeing you with him just don't feel rightAnd I'm like
Ow, never thought it'd hurt so bad
Getting over you
Ow, you're giving me a heart attack
Looking like you do
'Cause you're all I ever wanted
Thought you would be the one that's
Ow, giving me a heart attack
Getting over youEvery time you look like that
You're giving me a heart attack
'Cause seeing you with him just don't feel rightOw, never thought it'd hurt so bad
Getting over you
Ow, you're giving me a heart attack
Looking like you do
'Cause you're all I ever wanted
Thought you would be the one that's
Ow, giving me a heart attack
Getting over youYou're all I ever wanted
Every time you look like that
You're all I ever wanted

You're giving me a heart attack
