

# Move

## Audio Adrenaline

You got to move  
If youâ€™re ready or not  
Give it all that you got  
Turn it up now  
You got to move  
Itâ€™s your chance to fly  
With your head held high  
Right about now  
You got to

Somewhere deep inside  
A voice is dying to be heard  
You got a spark inside your heart  
Go on and let it burn  
Hey  
Youâ€™ve been living in slow motion  
Not a power on the earth  
Can stand against you  
Every army up in heaven  
Fighting with you  
Hey  
Donâ€™t let your fear keep you frozen

You got to move  
If youâ€™re ready or not  
Give it all  
That you got  
Turn it up now  
You got to move  
Itâ€™s your chance to fly  
With your head held high  
Right about now  
You got to move  
donâ€™t let this moment pass you by  
This is your time  
You got to move  
If youâ€™re ready or not  
give it all that you got  
Turn it up now

You got to

Before the battle had begun

We had the victory

So don't be shaken

By the voices of the enemy

Hey

Take your shot the world is watching

Don't be afraid

It's not too late

You're not alone

Got what it takes

Hey

God says go there is no stopping

Champion

You got it in you

don't give up

Nothing can stop you
