

# Save My Soul

Kristine W

Tell me, can you save me?Nothing in the world can make me change the way I feel for you

Nothing in the world can make me leave you, don't you feel it too

You have made me realize my love for you can make me whole

You have made me realize that love alone can save my soulI was in a place of fire, I was hypnotized

Livin' in my darkest hour, I was paralyzed

Now I'm back and feeling higher, you alone can see

That you became a true reviver when you rescued meOh, no, nothing in the world can make me change the way  
I feel for you

No, nothing in the world can make me leave you, don't you feel it too

You have made me realize my love for you can make me whole

You have made me realize that love alone can save my soulSave my soul

You, can you save my soul?

Tell me, can you save my soul?

My baby, can you save my soul?I suffered from a burning fever but now I'm back to life

I turned into my own deceiver and that I can't deny

I thought that I was born to walk alone until I met you

Now you are my one desire, come on and take me higherOh, no, nothing in the world can make me change the  
way I feel for you

Oh, no, nothing in the world can make me leave you, don't you feel it too

You have made me realize my love for you can make me whole

Yeah, now, baby

You have made me realize that love alone can save my soulOoh, save my soul

Tell me, can you save my soul?

(Tell me, can you save my soul?)

Won't you tell me, baby?Tell me, you can save my soul

(Tell me, can you save me?)

Can you save my soul?

(Tell me can you save me?)

Tell me, can you save my soul?Oh, nothing in the world

(Change the way, I feel for me)

Oh, no, nothing in the world can make me leave you, don't you feel it too

You have made me realize my love for you can make me whole

Ooh, no, you have made me realize that love alone can save my soulSave my soul

Tell me, can you save my soul?
