Afterglow (Radio Edit)

INXS

Here I am, lost in the light of the moon that comes through my window
Bathed in blue, the walls of my memory divide the thorns from the roses
It's you and the rosesTouch me and I will follow in your afterglow
Heal me from all this sorrow
As I let you go I will find my way when I see your eyes
Now I'm living in your afterglowHere I am, lost in the ashes of time, but who wants tomorrow?
In between the longing to hold you again
I'm caught in your shadow, I'm losing control
My mind drifts away, we only have todayTouch me and I will follow in your afterglow
Heal me from all this sorrow
As I let you go I will find my way
I will sacrifice 'til the blinding day when I see your eyes
Now I'm living in your afterglowWhen the faith has gone as I let you go, as I let you goTouch me and I will follow in your afterglow
Heal me from all this sorrow
As I let you go I will find my way, I will sacrifice
Now I'm living in your afterglowBathed in blue, the walls of my memory divide the thorns from the roses
It's you who is closest
