

# If It's Wrong

Leela James

Wrong  
Let it do what it do  
I think I love you I've got this  
Funny little feeling  
Down in my  
Inner most spirit I can't help it  
You stay on my mind  
Feels so good  
But it can't be right If it's wrong, loving you  
Then wrong will be right  
Don't care if it's wrong  
Let it do what it do  
'Cause I think I love you I love you I try to stop it  
'Cause we're so out of our [incomprehensible]  
Set it tripping  
Emotional orgy This is nonsense  
Can't keep doing this  
I should let it go  
But I can't 'cause I know it's wrong If it's wrong, loving you  
Then wrong will be right  
Don't care if it's wrong  
Let it do what it do  
'Cause I think I love you I love you, love you  
I love you, I love you  
I love you, I need you I love you, I love you  
I love you, I love you  
I love you, I do If it's wrong, loving you  
Then wrong will be right  
Don't care if it's wrong  
Let it do what it do  
'Cause I think I love you If it's wrong, loving you  
Then wrong will be right  
Don't care if it's wrong  
Let it do what it do  
'Cause I think I love you I love you, I love you  
I love you, I love you
