Cradle To The Grave

Alter Bridge

Mother,
Tell me, I long to hear the stories
Just like long agoAll these memories
Start to fade before me
I cannot let them goNo, I can't let them goFrom the cradle to the grave
It's a fear I can't escape
Who will be my hiding place
When you're gone?
Oh
Oh, uh-uhFather,
Stay here,
don't leave me like the other
Know, I need you soAll you gave me
Father, how you loved me
Treated like your own
Don't ever let me goFrom the cradle to the grave
It's a fear I can't escape
Who will be my hiding place
When you're gone?There's no way to deny
The brevity of lifeAs time keeps marching on
All we have is lostAs time keeps marching on
All we have is lostNothing lasts forever
Nothing stays the sameFrom the cradle to the grave
It's a fear I can't escape
Who will be my hiding place
When you're gone?From the cradle to the grave
It's a fear I can't escape
Who will be my hiding place
When you're gone?How am I to carry on?
How am I to carry on?Background:
As time keeps marching on
All we have is lostNothing lasts forever
Nothing ever stays the same
