

# Sometimes

## Hooverphonic

Why don't you ever get the point  
You're much too slow for me  
Why don't we ever flip our coin  
ReliabilitySome like it a lot  
Just give a little to me  
That's why I sing this songThey call us crazy early birds  
Too early never hurts  
Warmth is not as dangerous as  
As dangerous as those wordsSome like it a lot  
Just give a little to me  
That's why I sing this songSometimes  
We've got to sing this song  
Sometimes  
It takes us way too long  
Sometimes  
We've got to sing out of key  
We've got to sing out of keyWinter never gets me down  
It's just a feeling, feeling fine  
To care for you or not to care  
A goddamned thin, thin lineSome like it a lot  
Just give a little to me  
That's why I sing this songSometimes  
We've got to sing this song  
Sometimes  
It takes us way too long  
Sometimes  
We've got to sing out of key  
We've got to singWhy don't you ever get the point  
You're much too slow, why can't you see?  
Why don't we ever flip our coin  
Probably a lack of reliabilitySometimes  
We've got to sing this song  
Sometimes  
It takes us way too long  
Sometimes  
We've got to sing out of key  
We've got to sing this songSometimes  
We've got to sing this song  
Sometimes

It takes us way too long  
Sometimes  
We've got to sing out of key  
We've got to sing this song Sometimes  
We've got to sing this song  
Sometimes  
It takes us way too long  
Sometimes  
We've got to sing out of key
