All In Good Time

Tiger Lou

All in good time
I will stop for no one
I will stop for nothing
Don't care about a thingAll in good time
I won't stop to rest
I won't stop to sleep
I don't need no sleep'Cause I wanna find love here
So where are you going? [my...]Please be still
So I can adjust myself
I'm so close now
I'm so close
Go back to the day
Your covers were red
[My...] what do I see?
You laugh at me
You laugh at me child
Oh this is my
My only one
Like it or not
Soon I'll be gone
And I could never live
Live like you learn
Fly like you fly
Say what you say
And I'm almost done
And the fine line between
This and some dream
Is that I sold my soul
For something
I could never give
This isn't me
Where do I go?
Where do I run?
Where do I find
Peace of mind?
