Walk On

U2

And love, it's not the easy thing
The only baggage, that you can bring
Not the easy thing, the only baggage you can bring
Is all that you can't leave behindAnd if the darkness is to keep us apart
And if the daylight feels like it's a long way off
And if your glass heart should crack
Before the second you turn back
Oh no, be strongOh, oh, walk on, walk on
What you got, they can't steal it
No, they can't even feel it
Walk on, walk on
Stay safe tonightYou're packin' a suitcase for a place, none of us has been
A place that has to be believed, to be seen
You could have flown away, a singin' bird in an open cage
Who will only fly, only fly for freedomOh, oh, walk on, walk on
What you got, you can't deny it
Can't sell it or buy it
Walk on, walk on
You stay safe tonightAnd I know it aches
How your heart, it breaks
You can only take so muchWalk on, walk onHome, hard to know what it is
If you never had one
Home, I can't say where it is
But I know I'm going
Home, that's where the heart isAnd I know it aches
And your heart, it breaks
You can only take so muchWalk onLeave it behind
You've got to leave it behindAll that you fashion, all that you make
All that you build, all that you break
All that you measure, all that you feel
All this you can leave behindAll that you reason, all that you care
(It's only time and I'll never fill up all my mind)
All that you sense, all that you scheme
All you dress up, and all that you see
All you create, all that you wreck
All that you hate
