

# Walk On

U2

And love, it's not the easy thing  
The only baggage, that you can bring  
Not the easy thing, the only baggage you can bring  
Is all that you can't leave behind And if the darkness is to keep us apart  
And if the daylight feels like it's a long way off  
And if your glass heart should crack  
Before the second you turn back  
Oh no, be strong Oh, oh, walk on, walk on  
What you got, they can't steal it  
No, they can't even feel it  
Walk on, walk on  
Stay safe tonight You're packin' a suitcase for a place, none of us has been  
A place that has to be believed, to be seen  
You could have flown away, a singin' bird in an open cage  
Who will only fly, only fly for freedom Oh, oh, walk on, walk on  
What you got, you can't deny it  
Can't sell it or buy it  
Walk on, walk on  
You stay safe tonight And I know it aches  
How your heart, it breaks  
You can only take so much Walk on, walk on Home, hard to know what it is  
If you never had one  
Home, I can't say where it is  
But I know I'm going  
Home, that's where the heart is And I know it aches  
And your heart, it breaks  
You can only take so much Walk on Leave it behind  
You've got to leave it behind All that you fashion, all that you make  
All that you build, all that you break  
All that you measure, all that you feel  
All this you can leave behind All that you reason, all that you care  
(It's only time and I'll never fill up all my mind)  
All that you sense, all that you scheme  
All you dress up, and all that you see  
All you create, all that you wreck  
All that you hate
